🌎 Your dog's distraction list

Create your list! Once you think it's complete (or nearly complete), rank the distractions on a scale from 0 to 10. We need zero distractions to teach your dog to make great choices!

Take your time building this list and continue adding distractions as you encounter them. The more distractions you include, the more opportunities you'll have to work with your dog. Review the list regularly and adjust the ranking as needed.

Distraction collected	Ranking 0 - 10
