GROUP CLASSES

Acknowledgement of Participation Without Vaccination

I acknowledge that my dog, Ollie, is unable to receive routine vaccinations due to a medical condition.

I understand that Anke's Dog Training requires all other participating dogs to be appropriately vaccinated or have current titre testing, and that these measures significantly reduce, but cannot completely eliminate, the risk of infectious disease.

I have discussed my dog's medical circumstances with Anke's Dog Training and have made an informed decision that the benefits of participation outweigh the small residual risk of infectious disease.

I confirm that my dog is otherwise fit to attend class and is not showing any signs of infectious illness. If my dog becomes unwell or displays symptoms of a contagious disease, I will not attend class and will notify Anke's Dog Training as soon as possible.

To the extent permitted by law, I acknowledge that Anke's Dog Training is not liable for any illness my dog may contract as a result of this known and accepted risk, provided that Anke's Dog Training has exercised reasonable care in the operation of its classes.

Anke's Dog Training will take reasonable steps to minimise the risk of infectious disease, including requiring vaccination or current titre testing for participating dogs (except where a medical exemption applies) and implementing class management practices considered appropriate for the circumstances.
To further minimise risk, participation by dogs with a medical exemption may be limited at the discretion of Anke's Dog Training.

Dog's Name: Ollie
